Wider Opportunities Programme- Instrument Loan – Guitar Year 4

Children in Year 4 will be involved in a very special project this year which gives children the opportunity to learn to play the guitar for a year.

As part of this programme, they will be given an instrument which they are asked to bring home and practice in order to improve their progress. The instruments belong to school/Music Centre and there is no charge for the loan of the instrument. It will be loaned to them until the end of the programme, which ends in July, when it must be returned to school. The instruments are costly and we would ask that children care for them and return them in the same condition in which they receive them.

We would ask that you can support them to practice and take care of the instruments in the following ways:

Encourage them to play their guitar each week to consolidate learning.

Please take great interest and listen and praise their playing to keep them motivated (it can be lonely practicing a musical instrument). It is more fun practicing an instrument with an audience.

Arrange for them to be able to easily practice at a time that does not interfere with family routines (meal times, babies sleeping etc.)

Please DO NOT allow other family members to play on your child’s instrument-accidents can easily happen.

Ensure that they put it away properly each time in the red case and store it safely where pets/other children may not accidentally damage it.

Very Important: Children will take home their guitar on Thursday’s and it is VERY IMPORTANT that you remind them to bring it back for their next lesson.

We hope that your child and yourselves, as supporters, will enjoy your child’s success on the instrument. There will be more information about the possibility of continuing to learn to play this instrument and others after the programme, later in the year.

Yours sincerely

Mrs F Parish
Head Teacher

Childs name

School Class.....

I undertake to supervise my child with the care and practice of their instrument.
