

Be safe on the internet

S

SAFE - Don't give out personal information- Full name, email address, phone numbers, photos of your self, even your school name.

M

MEETING - Don't meet anyone you have met online as it can be very dangerous.

A

ACCEPTING - Only accept messages and pictures from people you know and trust they can contain viruses and nasty messages.

R

RELIABLE - Not all information on the internet is true, anybody online may be lying about who they are.

T

TELL - If something online makes you feel uncomfortable or worried, tell your parent, carer or trusted adult
