

Can you achieve 100% attendance?

Up until the end of term we are setting an 'Attendance Challenge' for our children, parents and carers. All children who achieve 100% for the last 3 weeks of term will be entered into a special prize draw.

The **Grand Prize Draw** will be held on Friday 16th December 2016.

We will also be rewarding the children who have achieved 100% for the term.

Dear Parents and Carers,

KS1 Visit to Cusworth Hall for Y2 ~ the children had a fantastic time visiting and learning about washday/school life in Victorian times. They had a great time comparing home/school life in the past to now.

Thank you to all our families, governors and staff who supported our Autumn Fayre fund raising event we raised over £1500, which is used to subsidise visits/workshops for every class for the year to make learning interesting/fun/exciting! Funds raised from the cleaning stall by our Thrive team are going towards setting up sensory needs provision in school. It was lovely to see you all there supporting our school!

Reading For Life:

We will be launching from January new reading challenges in each class.

School support children in developing their reading skills through shared, guided and 1-1 reading.

To help your child become a lifelong learner and confident reader **all children across school will be challenged to read at least 3 times a week at home**. Just 5 minutes at bedtime reading really helps!

We will have class trackers and those who meet this target will earn book stamps towards new book awards and free books from school! **Can your child meet the challenge?**

ATTENDANCE WINNERS

This week's class winners on 98% attendance were
3/4H class.
Well done!
