## **Sheep Dip Lane Primary School: Staff Code of Conduct**

### **Reviewed: September 2016**

---

#### **INTRODUCTION**

As an employer, the governing body is required to set out a Code of Conduct for all school employees.

Staff should be aware that a failure to comply with the following Code of Conduct could result in disciplinary action including dismissal.

#### **1 PURPOSE, SCOPE AND PRINCIPLES**

A Code of Conduct is designed to give clear guidance on the standards of behaviour all school staff are expected to observe, and the school should notify staff of this code and the expectations therein. School staff are in a unique position of influence and must adhere to behaviour that models the highest possible standards for all the pupils within the school.

#### **2 SETTING AN EXAMPLE**

2.1 All staff who work in schools set examples of behaviour and conduct which can be copied by pupils/students.

2.2 All staff must, therefore, demonstrate the highest standards of conduct in order to encourage our pupils/students to do the same. (See Appendix 1).

2.3 All staff must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.

2.4 This Code helps all staff to understand what behaviour is and is not acceptable.

#### **3 SAFEGUARDING PUPILS/STUDENTS**

3.1 Staff have a duty to safeguard pupils/students from:

- physical abuse
- sexual abuse
- emotional abuse
- neglect

3.2 The duty to safeguard pupils/students includes the duty to report concerns about a pupil/student to the school's Designated Senior Person (DSP) for Child Protection.

3.3 The school's DSP is Mrs F Parish(HT)

The school's Deputy DSP is Mrs A Parkhurst (DHT)

Other DSP are: Miss D Barker, Miss L Wales, Miss M Graham, Mrs S Sparrow, Miss L Brennan and Mrs A Willis.

3.4 Staff are provided with personal copies of the school's Child Protection Policy and Whistleblowing Procedure and staff must be familiar with these documents. Copies of these are available in the staffroom.

3.5 Staff must not demean or undermine pupils, their parents or carers, or colleagues.

3.6 Staff must take the upmost care of pupils/students under their supervision with the aim of ensuring their safety and welfare.

#### **4 PUPIL/STUDENT DEVELOPMENT**

- 4.1 Staff must comply with school policies and procedures that support the well-being and development of pupils/students.
- 4.2 Staff must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils/students.
- 4.3 Staff must follow reasonable instructions that support the development of pupils/students.

#### **5 HONESTY AND INTEGRITY**

- 5.1 Staff must maintain the highest standards of honesty and integrity in their work. This includes the handling and claiming of money and the use of school property and facilities.

#### **6 CONDUCT OUTSIDE WORK**

- 6.1 Staff must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the employee's own reputation or the reputation of other members of the school community. Any such conduct could lead to dismissal.
- 6.2 In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable and could lead to dismissal.
- 6.3 Staff must exercise caution when using information technology and be aware of the risks to themselves and others. **See separate Social Media Policy and guidance.** Staff must not use social media e.g. Facebook with pupils.
- 6.4 Staff must only use their school email account or school learning platform account when communicating electronically with pupils, parents and colleagues.
- 6.5 Staff may undertake work outside school, either paid or voluntary, provided that it does not conflict with the interests of the school and is not to a level which may contravene the working time regulations or affect an individual's work performance.
- 6.6 All members of staff must declare any business interests outside of school that may be connected either to the supply of goods / services to the school or be rewarded through association with the school.

#### **7 CONFIDENTIALITY**

- 7.1 Where staff have access to confidential information about pupils/students or their parents or carers, staff must not reveal such information except to those colleagues who have a professional role in relation to the pupil/student.
- 7.2 All staff are likely at some point to witness actions which need to be confidential. For example, where a pupil/student is bullied by another pupil/student (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the pupil's/student's parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate role and authority to deal with the matter.
- 7.3 However, staff have an obligation to share with their manager or the school's Designated Senior Person any information which gives rise to concern about the safety or welfare of a pupil/student. Staff must **never** promise a pupil/student that they will not act on information that they are told by the pupil/student.

#### **8 DISCIPLINARY ACTION**

- 8.1 All staff need to recognise that failure to meet these standards of behaviour and conduct may result in disciplinary action, including dismissal.

### **High Standards of professional expectations**

#### **When we speak to others we will:**

- \_ use a positive statement rather than a negative one so that children can learn what we expect of them in any situation.
- \_ use a calm tone of voice at all times, to explain something to or instruct the children, so that they can follow our words without feeling threatened or uncomfortable.
- \_ avoid using sarcastic words, phrases or sounds e.g. huffing or tutting, as these demean children and prevent them from developing high self-esteem.
- \_ speak respectfully to other adults at all times, even if we disagree with them.
- \_ demonstrate professionalism at all times and be aware that body language and facial expressions, avoiding crossing arms or rolling eyes, as these types of actions can be perceived as negative.

**We must remember at all times that children see and children do. Our actions, words, and appearance models for children our high standards of expectations.**

#### **As professionals we will:**

**Avoid workplace gossip and negativity as it breeds resentment and becomes a roadblock to effective communication and collaboration.**

**We all have a duty to take active steps to divert conversations away from this if we come across it and report any concerns to a senior leader.**

- \_ Maintain confidentiality about anything that we see or hear in the school, so that parents and children can trust us, and as a way of showing respect to our fellow professionals.
- \_ Work as part of a team, contributing as well as learning from others and helping to build up a strong workforce so that we can provide the best possible learning opportunities for the children.
- \_ Work within the school's policies and practices, so that what we do is consistent with what has been agreed between all members of the staff and the governors.
- \_ Treat everyone with respect.
- \_ Dress appropriately, so that we set a good example for the children and to show that we are here to work. **See Dress Code Policy.**
- \_ Behave in a positive way despite any personal problems that we may have, especially in front of the children.

### **PERSONAL AND PROFESSIONAL CONDUCT**

A teacher is expected to demonstrate consistently high standards of personal and professional conduct. The following statements define the behaviour and attitudes which set the required standard for conduct throughout a teacher's career.

- Teachers uphold public trust in the profession and maintain high standards of ethics and behaviour, within and outside school, by:
  - o treating pupils with dignity, building relationships rooted in mutual respect and at all times observing proper boundaries appropriate to a teacher's professional position
  - o having regard for the need to safeguard pupils' well-being, in accordance with statutory provisions
  - o showing tolerance of and respect for the rights of others

o not undermining fundamental British values, including democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs  
o ensuring that personal beliefs are not expressed in ways which exploit pupils' vulnerability or might lead them to break the law.

- Teachers must have proper and professional regard for the ethos, policies and practices of the school in which they teach, and maintain high standards in their own attendance and punctuality.

- Teachers must have an understanding of, and always act within, the statutory frameworks which set out their professional duties and responsibilities.
