

Dear Parents / Carers,

## Why is Water Wet?

As part of our new topic '*Why is Water Wet?*' where we will be learning all about water! To kick-start our topic in a fun & exciting way we would like to invite our children to our special **dress as a pirate or mermaid day** on **Wednesday 7<sup>th</sup> June 2017**.

There is no need to buy anything especially for this day - maybe you already have a bright t-shirt that you could decorate? Or maybe a t-shirt with a pirate on on? Maybe you could work together over half-term to make a sparkly mermaid tail, or a pirate hat & patch? Our children absolutely love dressing-up and we always find these kind of days to be a great way to kick-start a new topic.

We hope you will support us in this fun event,

Kind Regards,  
FS Staff
