Dear Parents & Carers

You might find these house e-safety rules useful for your child:

### E-Safety Rules for Key Stage 2 families

- I will use only the username and password I have been given by my Parent/Carer to access the appropriate networks.
- I will treat all passwords I have as secret information.
- I will only look at my own files.
- I will not delete files belonging to others.
- I will ask permission from my parent/carer before using the Internet.
- I will only send e-mails to addresses that my family have approved.
- E-mail messages I send will be polite and sensible.
- I will never give my home address or phone number, or any other personal details as part of an e-mail.
- I will ask for permission before opening an e-mail attachment.
- If I see anything I am unhappy with or I receive messages I do not like, I will tell an adult immediately.
- I will not use Internet chat rooms.
- I understand that adults (and in extreme cases the police) may check my computer files and the Internet sites I visit.
- I understand that if I deliberately break my house rules, I may not be allowed to use the Internet or computers again until I am more mature.
