Autumn Careers Day

Dear Parents/Carers,

On Friday 24th November, we are holding our first "Careers Day" of the school year. On this day, our pupils across school will be able to learn about a variety of different jobs and listen to people speak about the skills they require and what they enjoy about their job. The purpose of these days is to open up the pupils' minds to the variety of jobs out there and build their aspirations, which they may wish to explore a bit more in the future.

In order for our Careers days to be as successful as possible, I am wanting to try and get as many people into school as possible to talk to the children about their job or profession and would like to open this invite up to our parents and carers. If any of you would be willing to come and spend a bit of time talking to a class or even a number of classes about your job it would be amazing. We would love you to share the skillset required and how you managed to achieve this.

If you are interested and would love to help, please could you fill out the slip below and return back to school before the October half term.

We would love to hear from you no matter what your job; we are hoping we can get people into school with a range of occupations: beautician, hairdresser, shop worker, cleaner, florist, athlete, NHS worker, police, fire, armed forces, farmer, engineer, charity worker, the list is endless. If you feel like this is something you could support us with, or know someone who would be able to help, please get in touch.

Kind Regards,

Miss N Pounder
Future Aspirations Leader
