Policy for determining Teachers' & Executive pay

Introduction

1. This policy sets out the framework for making decisions on **Teachers and Executive Staff** pay. It has been developed to comply with current legislation and the requirements of the School Teachers' Pay and Conditions Document (STPCD) (**for teachers**) and has been consulted on with the recognized trade unions. A copy of this policy will be sent to all staff, **where it applies to them** and a copy of all relevant documents on pay and conditions will be made available to staff by the Academy.

References to the School Teachers Pay & Conditions are in relation to Teaching staff only. Executive staff are employed under the NJC terms of conditions of employment but will be subject to performance related pay. Executive Staff Roles (who are not qualified teachers) are the Chief Operating Officer and the Chief Finance Officer. Executive Staff Roles (who are qualified teachers) are the Chief Executive Officer and the Deputy Chief Executive Officer.

This policy does not apply to NJC non-executive staff

2. In adopting this pay policy the aim is to:
 - Ensure that decisions are evidence based in every case
 - assure the quality of teaching and learning at the academy;
 - to ensure that staff progression and reward is evident throughout the academy
 - to develop, recruit and retain highly motivated and highly performing teachers
 - support recruitment and retention and reward teachers appropriately; and
 - ensure accountability, transparency, objectivity and equality of opportunity.¹
3. Pay decisions at this Academy are made by the Academy Trust Board which has delegated certain responsibilities and decision making powers to the LGB Pay Committee as set out in Appendix One. The Pay Committee shall be responsible for the establishment and review of the pay policy, subject to the approval of the Academy Trust Board, and shall have full authority to take pay decisions on behalf of the Academy Trust Board in accordance with this policy. The Principal shall make recommendations regarding teachers' pay to the pay Committee.

Pay Reviews

4. The Academy Trust Board will ensure that each Teachers and **Executive staff salary** is reviewed annually with effect from 1 September and that each teacher is notified of the outcome by no later than 30 November each year, and that all teachers are given a written statement setting out their salary and any other financial benefits to which they are entitled.
5. Reviews may take place at other times of the year to reflect any changes in circumstances or job description that lead to a change in the basis for calculating an individual's pay. A written statement will be given after any review and where applicable will give information about the basis on which it was made.

¹ Including compliance with equalities legislation i.e. Employment Rights Act 1996, Employment Relations Act 1999, Employment Act 2002, Part-Time Workers (Prevention of Less Favourable Treatment) Regulations 2000, Fixed Term Employees (Prevention of Less Favourable Treatment) Regulations 2002 and Equalities Act 2010/2012

6. Where a pay determination leads or may lead to the start of a period of **Teachers** safeguarding, the Academy Trust Board will give the required notification as soon as possible and no later than one month after the date of the determination.

Basic Pay Determination of Appointment

7. The Academy Trust Board will determine the pay range for a vacancy prior to advertising it. On appointment it will determine the starting salary within that range to be offered to the successful candidate, subject to the conditions outlined in paragraph 8.
8. In making such determinations, the Academy Trust Board may take into account a range of factors including:
 - *The nature of the post*
 - *The level of qualifications, skills and experience required*
 - *Market conditions*
 - *The needs of the academy*
 - *The academy staffing profile*
 - *The Academy Improvement Plan*
- 8.1 In this Academy the Academy Trust Board will, where a candidate is on the main pay scale offer to at least match their existing salary. Where a candidate is on the Upper pay scale the school will make an offer to the individual based on their performance and information from the interview process.
- 8.2 Where a candidate has had three or more consecutive years away from the profession of teaching the Academy Trust Board will offer a salary based on the knowledge, skills and performance at interview.

Classroom teacher posts

9. The Academy Trust Board has established that it will continue to use the main pay scale and the upper pay scale as reference points only for pay.
10. The Academy Trust Board undertakes that it will not restrict the pay range advertised for or starting salary and pay progression prospects available for classroom teacher posts, other than the minimum of the Main Pay Range and the maximum of the Upper Pay Range.

Leading Practitioner teacher posts

11. The Academy Trust Board will in the event of appointing a leading practitioner pay a salary within the minimum and maximum in line with the STPCD.
12. Such posts may be established for teachers whose primary purpose is the modelling and leading improvement of teaching skills, where those duties fall outside the criteria for the TLR payment structure.
13. When determining the pay scales for such posts, the Academy Trust Board and the Executive Principal will do this by reference to the weight of the responsibilities of the post and bearing in mind the need to ensure pay equality where posts are equally onerous and fair pay relativities between posts of differing levels of responsibility.
14. The policy of the Academy Trust Board is to appoint any new Leading Practitioner teacher at the bottom point of the pay range.

15. The Academy Trust Board will establish such posts from 1 September 2013 for all teachers previously employed in the school as Advanced Skills Teachers or Excellent Teachers and will pay them at a scale point in line with the salary range for advanced skills teachers.

Unqualified teachers

16. The Academy Trust Board has established the following pay scale for unqualified teachers employed in classroom teacher posts, please see appendix 7

Leadership teacher posts (Executive Pay, Principal, Vice & Assistant Principals)

17. The Directors of the Trust have ensured that pay ranges for Executive pay have been set using the requirements that are outlined in the Academies Financial Handbook. (AFH)

The AFH 2020 sets out the following requirements in relation to executive pay:

“2.4.3. The board of trustees **must** ensure its decisions about levels of executive pay follow a robust evidence-based process and are reflective of the individual's role and responsibilities. No individual can be involved in deciding his or her own remuneration.”

“2.4.4. The board **must** discharge its responsibilities effectively, ensuring its approach to pay is transparent, proportionate and justifiable, including:

- *process - that the procedure for determining executive pay is agreed by the board in advance and documented*
- *independence - decisions about executive pay reflect independent and objective scrutiny by the board and that conflicts of interest are avoided*
- *decision-making - factors in determining pay are clear, including whether performance considerations, and the degree of challenge in the role, have been taken into account*
- *proportionality - pay is defensible relative to the public sector market*
- *documentation - the rationale behind the decision-making process, including whether the level of pay reflects value for money, is recorded and retained*
- *a basic presumption that non-teaching pay should not increase at a faster rate than that of teachers, in individual years and over the longer term*
- *understanding that inappropriate pay can be challenged by ESFA, particularly in any instance of poor financial management of the trust.”*

The Directors have implemented criteria specified in the STPCD for setting Executive Pay. An internal guidance document outlines all the agreed criteria for setting the Executive Pay.

- 17.1 The pay ranges for the Principal, Vice Principals[s] and Assistant Principals[s] will be determined in accordance with the criteria specified in the STPCD and ensuring fair pay relativities. The determination of leadership group pay introduced in 2014 should be applied to individuals appointed to a leadership post on or after 1 September 2014, or whose responsibilities have significantly changed on or after that date. Schools may choose to review the pay of all of their leadership posts in accordance with the new arrangements introduced in the 2014 document if they determine that this is required to maintain consistency either with pay arrangements for new appointments to the leadership group made on or after 1 September 2014. See Appendix 6 for the determination of Principal, Vice and Assistant Principal pay.

18. Determination of temporary payments to the CEO / Principal will be determined by the Academy Trust Board for clearly temporary responsibilities or duties that are in addition to

the post for which their salary has been determined. The total sum of the temporary payments made to CEO / Principal in accordance with the STPCD in any school year must not exceed 25% of the annual salary which is otherwise payable to the CEO / Principal and the total sum of salary and other payments made to a CEO/ Principal must not exceed 25% above the maximum of the headteacher group.

19. The Academy Trust Board will normally appoint new leadership teachers at the bottom point of the relevant pay range, however they can use their discretion to appoint based on the process set out at Appendix 6.
20. The Academy Trust Board will pay teachers as Vice or Assistant Principals only where the Academy Trust Board is satisfied that, in the context of the teacher's duties, the role includes a significant responsibility that is not required of all classroom teachers or TLR holders, and that the role –
 - (a) is focused on teaching and learning;
 - (b) requires the exercise of a teacher's professional skills and judgment;
 - (c) requires the teacher to lead and manage the school through:
 - development of teaching and learning priorities across the academy;
 - accountability for the standards of achievement and behaviour of pupils across the academy;
 - accountability for the planning and deployment of the academy's resources;
 - leading policy development and implementation across the academy in accordance with statutory provisions;
 - managing whole school operational activity;
 - working with external bodies and agencies; and
 - securing pupils' access to their educational entitlements;
 - (d) has an impact on the educational progress of the academy's pupils;
 - (e) involves leading, developing and enhancing the teaching practice of the academy's staff; and
 - (f) includes line management responsibility for a significant number of people and/or the line management of other line managers.
21. In the case of a Vice Principal post, the Academy Trust Board must also be satisfied that this significant responsibility features a job weight which exceeds that expected of an Assistant Principal employed in the same school, including responsibility for discharging in full the responsibilities of the Principal in the absence of the Principal.

Pay Progression based on Performance

22. The arrangements for teacher & Executive Staff appraisal are set out in the Trust appraisal policy. The focus of appraisal is to enhance, support and develop teachers to enable them to meet their objectives.
23. Decisions regarding pay progression will be made with reference to the teachers' performance management/appraisal reports and the criteria as determined by the Trust and set out at Appendix 5. In the case of NQTs, pay decisions will be made by means of the statutory induction process. It will be possible for a 'no progression' determination to be made without

recourse to the capability procedure. **Decisions regarding Performance Related Pay for Executive staff will be made based on meeting objectives.**

24. The Academy Trust Board is committed to ensuring that decisions relating to pay will be fair and transparent, assessments of performance will be properly rooted in evidence. Fairness will be assured by annual monitoring of the application of the pay policy and pay decisions.
25. A range of evidence will be used including and giving priority to performance management /appraisal process.
26. Where teachers have joined the academy part way through a performance management/appraisal cycle, the Academy Trust Board will, where necessary, seek evidence from the previous schools/academies to assist pay decisions and will seek evidence from the teachers themselves.
27. Employees who are on maternity leave at any point during the annual cycle of appraisal and pay decisions will, as detailed in point 5 have a review meeting with their appraiser to set objectives. A range of evidence from the previous cycle and the return to work period will be used to inform pay decisions in line with the criteria determined by the Trust. Academies are reminded that employees on maternity leave must have their performance assessed and be included in any pay recommendations.
28. Teachers' performance management/appraisal reports will contain pay recommendations. Final decisions about whether or not to accept a pay recommendation will be made by the Local Governing Body/Academy Trust Board, having regard to the performance management/appraisal report and the criteria as outlined in the pay policy, taking into account advice from the senior leadership team.
29. The Academy Trust Board/Local Governing Body will ensure that appropriate funding is allocated for pay progression for all eligible teachers.
30. All teachers can expect progression to the top of their pay range as a result of successfully meeting the criteria for progression as defined in this policy. The Trust promotes and encourages outstanding performance in its teachers, therefore teachers who demonstrate consistent and sustained outstanding performance will have access to accelerated progression as set out in Appendix 5.
31. The awarding body will make pay decisions according to the criteria for progression set out in appendix 5.
32. Teachers at this Academy Trust are encouraged to maintain their own evidence file of CPD.

Leadership teachers (Executive Pay, Principal, Vice & Assistant Principals)

33. The CEO, Principals, Vice & Assistant Principals will be awarded additional scale points in accordance with the provisions of the STPCD i.e. they must demonstrate sustained high quality of performance in respect of academy leadership and management and pupil progress. Pay decision will be clearly attributable to the performance of the individual.

Executive staff who are employed on NJC terms and conditions will be awarded scale points in accordance with the scale that they are on. To achieve performance related pay Executive staff must meet their objectives, they must demonstrate high quality performance in respect of leadership and driving the trust forward. All decisions related to pay will be rooted in evidence of individual performance.

Movement to Upper Pay Scale - Teachers

Applications and Evidence

34. Any qualified teacher may apply to be paid on the Upper Pay Range and any such application must be assessed in line with this policy. It is the responsibility of the teacher to decide whether or not they wish to apply to be paid on the Upper Pay Range.
35. Applications may be made once a year. Where teachers wish to be assessed, they should notify their appraiser in writing using the application form (as at Appendix 3) which should be submitted by the teacher to the appraiser at the performance management/appraisal planning meeting. The teacher's application will be appended to their performance management/appraisal planning statement.
36. If a teacher is simultaneously employed at another school/academy, they may submit separate applications if they wish to apply to be paid on the Upper Pay Range in that school or academy. The Academy Trust will not be bound by any pay decision made by another school/academy.

The Assessment

37. An application from a qualified teacher will be successful where the Academy Trust Board is satisfied that:
 - (a) the teacher is highly competent in all elements of the relevant standards; and
 - (b) the teacher's achievements and contribution to the academy are substantial and sustained.
38. In this Trust highly competent means:
 - Performance is not only good but it is also good enough to provide coaching and mentoring to other teachers including staff meetings/policies etc.
 - Giving other teachers advice and demonstrating effective teaching practice impacting on raising standards
 - Makes a clear wider contribution to the work of the school in addition to their high quality work in the classroom

Substantial means:

- Consistently plays a critical role in the life of the school
- Provides a role model for teaching and learning and in their personal and professional responsibilities
- Makes distinctive contribution to the raising of pupil standards
- Takes advantage of appropriate opportunities for professional development and use the outcomes effectively to improve pupils' learning

Sustained means:

- High level performance sustained over at least 2 academic years (the most recent)

39. In making its decision, the Academy Trust Board will have regard to the two most recent performance management/appraisal reviews and additional evidence to demonstrate point 37 (a) and (b). Reviews will be deemed to be successful if the teacher demonstrates that they meet all of criteria under point 38.

Processes and procedures

40. The assessment will be made within 10 working days of the receipt of the application or the conclusion of the performance management/appraisal process, whichever is later. If successful, applicants will move to the Upper Pay Range from the previous 1 September and will be placed on point 1 of that pay scale. If unsuccessful, feedback will be provided by the Principal as soon as possible and at least within 5 working days of the decision; and will cover the reasons for the decision and the appeals arrangements available to the teacher. Any appeal against a decision not to move the teacher to the Upper Pay Range will be heard under the Academy Trust's general appeals arrangements.

Part-time Teachers

41. Teachers employed on an ongoing basis at the academy but who work less than a full working week are deemed to be part-time. The Academy Trust Board will give them a written statement detailing their working time obligations and the standard mechanism used to determine their pay, subject to the provisions of the statutory pay and working time arrangements and by comparison with the Academy's timetabled teaching week for a full-time teacher in an equivalent post. Any additional hours worked by agreement from time to time will be paid at the same rate.

Short Notice/Supply Teachers

42. Teachers employed on a day-to-day or other short notice basis will be paid on a daily basis calculated on the assumption that a full working year consists of 195 days; periods of employment for less than a day being calculated pro-rata.
43. Teachers who are employed to teach for the full pupil day will be paid at a daily rate of 1/195th of the annual pay they would receive if engaged on a regular contract. Teachers who work less than a full day will be hourly paid and will also have their salary calculated as an annual amount which will then be divided by 195 then divided again by the proportion of the full pupil day which they teach to arrive at the hourly rate.

Pay Increases Arising from Changes to the STPCD

44. The Academy Trust is committed to awarding the pay uplift resulting from national pay awards (as outlined in the STPCD) to all existing pay points and allowances for all teachers where indicated. Where the STPCD states that the Academy Trust must determine how to apply uplifts the Academy Trust's/LGB's pay committee will make the decision taking account of recommendations and the guidance in the STPCD.

Discretionary Allowances and Payments

Teaching & Learning Responsibility Payments (TLRs)

45. The Academy Trust Board pays TLR 1 and 2 payments to teachers in line with the STPCD as updated from time to time
46. The criteria for the award of TLR 1 and 2 payments are as follows:

Before awarding any TLR 1 or 2 payment, the Academy Trust Board must be satisfied that the teacher's duties include a significant responsibility that is not required of all classroom teachers and that:

- a. is focused on teaching and learning;
- b. requires the exercise of a teacher's professional skills and judgement;
- c. requires the teacher to lead, manage and develop a subject or curriculum area; or to lead and manage pupil development across the curriculum;
- d. has an impact on the educational progress of pupils other than the teacher's assigned classes or groups of pupils; and
- e. involves leading, developing and enhancing the teaching practice of other staff.

47. In addition, before awarding a TLR1 payment, the Academy Trust Board must be satisfied that the significant responsibility referred to above includes line management responsibility for a significant number of people.

48. The relevant body may award a fixed term third TLR (TLR3) to a classroom teacher for clearly time-limited academy improvement projects, or one off externally driven responsibilities. The annual value of a TLR3 must be no less and no greater than specified in the STPCD. The duration of the fixed term must be established at the outset and payment should be made on a monthly basis for the duration of the fixed term. Where a TLR3 is awarded to a part time teacher it must be paid pro rata basis.

See Appendix 7 for the rates of pay for allowances

Special educational needs (SEN) allowances

49. The Academy Trust Board will award SEN allowances in accordance with the criteria and provisions set out in the STPCD.

50. The value of SEN allowances to be paid at the academy will be no less and no more than the amounts set out in the STPCD.

Acting allowances

51. Where any teacher is required to act as Executive Principal, Principal, Vice Principal or Assistant Principal for a period in excess of four weeks, s/he will receive an additional allowance in order that the total pay received is equal to that of the substantive post holder.

52. Payments will be backdated to the day on which the teacher assumed those duties. No pressure, direct or indirect, will be placed on teachers to act up where such acting up is voluntary on their part.

Other Payments

Continuing professional development outside directed time; Initial teacher training activities; and Out-of-school learning activities

53. The Academy Trust Board may make additional payments to teachers (including the Principal) who agree to undertake such activities. Additional payments will be calculated at a daily or hourly rate with reference to each teacher's actual pay spine position or, where appropriate

and following consideration by the Pay Committee, at a higher level reflecting the responsibility and size of commitment. Payment will only be considered where the activities involve a substantial and on-going commitment and in particular where this involved working with pupils or others at weekends or during school holiday periods.

Recruitment and retention incentives and benefits

54. Where the Academy Trust Board wishes to make recruitment and retention payments to teachers, the level, duration and criteria for such payments will be set out clearly in the documents associated with the decision made by the relevant committee. Such payments will be reviewed annually.

54.1 The Executive Principal, Principals, Vice Principals and Assistant Principals may not be awarded payments relating to recruitment or retention incentives, other than as reimbursement of reasonable incurred housing or relocation costs. All other recruitment and retention considerations in relation to an Executive Principal, Principal, Vice Principal or Assistant Principal including non-monetary benefits must be taken into account when determining the pay range.

Safeguarding

55. The Academy Trust Board will operate salary safeguarding arrangements in line with the provisions of the STPCD.

Teachers may seek a review of any determination in relation to their pay or any other decision taken by the Academy Trust Board / Local Governing Body (or a committee or individual acting with delegated authority) that affects their pay.

The following list, which is not exhaustive, includes the usual reasons for seeking a review of a pay determination:

3. Where this is not possible, or where the teacher continues to be dissatisfied, he/she may follow a formal appeal process.
4. The teacher should set down in writing the grounds for questioning the pay decision and send it to the person (or committee) who made the determination, within 10 working days of the notification of the decision being appealed against or of the outcome of the discussion referred to above.
5. The committee or person who made the determination should provide a hearing, within 10 working days of receipt of the written appeal, to consider the appeal and give the teacher an opportunity to make representations in person. Following the hearing the employee should be informed in writing of the decision and the right to appeal.
6. Any appeal should be heard by a panel of three Trustees / Governors who were not involved in the original determination, normally within 20 working days of the receipt of the written appeal notification.
7. The teacher will be given the opportunity to make representations in person and submit any further evidence that they deem is appropriate. The decision of the appeal panel will be given in writing, and where the appeal is rejected will include a note of the evidence considered and the reasons for the decision.

8. For any formal meeting the teacher is entitled to be accompanied by a colleague or union representative. Each step and action of this process must be taken without unreasonable delay. Accomplished teachers are those who have developed their style of teaching and practice and have built on their skills, knowledge and professionalism. Accomplished teachers are those teachers who are currently being paid MPS4 to MPS 6. (NB There is no longer a 6a on the pay scale due to the National Pay decisions.)

c. Upper Pay Spine Teachers

Established teachers are those teachers who have experienced leading initiatives across the school, are knowledgeable enough to mentor early career teachers and have developed their practice towards expertise in areas of teaching and learning. Established teachers are those teachers who are currently being paid UPS1 to UPS3.

2. No Progression Criteria

In all pay bands, where a teacher has not met their objectives and throughout the cycle of appraisal and termly one to one meetings further support has been provided, but the objectives and standards have still not been met, and they do not meet the minimum criteria for half a point progression, no progression will be awarded.

APPENDIX 6 SETTING LEADERSHIP PAY

Three Stage Process

1. Defining the role and determining the CEO / Deputy CEO / Principal group
2. Setting the indicative pay range
3. Deciding the starting salary and the individual pay range

Step 1 Calculating the ISR (Individual School Range)

Key Stage	Units Per Pupil
For each pupil in the preliminary stage and each pupil in the first or second key stage	7
For each pupil in the third Key Stage	9
For each pupil in the fourth Key Stage	11
For each pupil in the fifth Key Stage	13

- Each pupil with a statement of Education needs (SEN) or from Sep 2014 an Education, Health and Care plan must be counted as three points more than the pupil would otherwise be counted.
- Each pupil who attends for no more than half a day on each day for which the pupil attends school must be counted as half as many units as the pupil would otherwise be counted.

The steps for calculating the ISR are set out in the STPCD. Special schools undertake a different calculation.

Calculation of the ISR is dependent upon pupil numbers, this will determine the Principal's group, the table below shows the group dependent upon the unit scores.

Total Unit Score	Principal Group
Up to 1000	1
1,001 to 2,200	2
2,201 to 3,500	3
3,501 to 5,000	4
5,001 to 7,500	5
7,501 to 11,000	6
11,001 to 17,000	7
17,001 and over	8

Step 2 Setting the indicative Pay Range

Principals normally have a 7-point range with Vice and Assistant Principals on a 5-point range. In establishing the range and the starting point consideration may be given to the points below:

- Consider the complexity and the challenge of the role
- Any additional payments such as recruitment and retention, permanent additional responsibilities (such as the provision of Initial Teacher Training, long term provision to other academies) should be considered at this stage
- Consider whether the range should start at the minimum of the group or at a higher level

Other considerations:

- The context and challenge arising from pupil needs
- High degree of complexity and challenge i.e. accountability for multiple academies or managing across several dispersed sites
- Additional accountability not reflected in stage 1
- Factors that may impede the academy's ability to attract a field of appropriately-qualified and experienced leadership candidates i.e. location
- The current grading of the academy and the challenges facing the academy

Step 3 Deciding the starting salary and whether the range needs to be extended

Where necessary and in exceptional circumstances the range may be extended. This should not be more than 25% of the top of the group but can recognise the additional duties in the Executive Roles

APPENDIX 9: SETTING PAY FOR THE CEO

1. The CEO pay range is set by the Trust Board upon appointment making allowance for the market forces, the expected responsibilities and the pay differentials between Trust Principals. The Directors will set a 7 - point range on appointment within a pay band.
In making the decisions the Directors will use the criteria outlined for leadership pay in the 2020 STPCD with an uplift of 5% to recognise the additional responsibility associated with the post of CEO. Annual Pay decision will also be attributable to the performance of the individual based on the performance appraisal cycle.
2. When the Trust acquires a new school the rise in pupil numbers may trigger the movement of the CEO salary to the next pay band but this will only be reviewed as part of the annual cycle of appraisal. In-year adjustments will not be made to Executive Pay. Payments for this purpose are made retrospectively and therefore the rise in pupil numbers must have been in place for 1 academic year in order to trigger a pay uplift.
3. CEO pay is subject to performance-related pay progression and cost of living adjustments in comparison to the national recommendations of Leadership pay (in accordance with the STPCD). In Line with the Pay Policy 2020, the CEO can be awarded up to two points within any one given cycle against the criteria outlined in the appraisal document.
4. Where the Directors want to make recruitment and retention payments to the CEO, the level, duration and criteria for such payments will be set out clearly in the documents associated with the decision made by the Trust Pay Policy. Such payments will be reviewed annually.
5. Performance related pay is subject to the CEO demonstrating sustained high quality of performance in respect of the Annual Improvement Plan, Academy outcomes and individual Performance Appraisal Targets. Targets will be set annually for the CEO by the Performance Appraisal Committee and in conjunction with an External Advisor who the Directors have appointed to carry out the process.
6. Any significant change to the CEO responsibilities may justify for the pay range to be reset in line with the policy.

APPENDIX 11 – APPLICATION OF THE POLICY

Steps

1. Teachers should have a termly/twice a year one to one meetings to establish where they are with their objectives and to clarify where in the pay policy they currently 'sit' i.e. on track for Good, aspiring to be Outstanding or Outstanding.
2. Teachers who require support should be provided with this as a short-term measure (see the appraisal policy).
3. During the appraisal meeting Teachers are advised to bring evidence of their success in line with the criteria in the pay policy.
4. After the meeting the leadership team should undertake a consistency check (moderation) across all teachers to ensure that there is consistency across the academy.
5. The Principal should advise the teacher, after the consistency check, of the pay recommendation that is being made for them, this gives the teacher the opportunity to ask questions and discuss the recommendation being made.
