Dear Parent/Carer

## Welcome Back

On behalf of the Directors of Exceed Learning Partnership I would like to welcome all our families and pupils back; I hope that you have all had a wonderful summer break. I would also like to officially welcome all our pupils and families that are new to the Trust. All the children look very smart and I am pleased to say that they have settled into their new classes extremely well.

As a Trust we are very excited for what this year will bring and we are very much looking forward to yet another successful year in our academies. Children within our Trust will always be our main priority. We collaboratively work together to ensure that every child receives the same opportunities to succeed, and we encourage and inspire them to believe in themselves and build dreams.

As you are aware the school environment has been very different over the last 18 months and we are all delighted that we can now return to some of our normal routines; however, we do still need to remain vigilant, therefore we will continue to follow Covid measures throughout our academies.

- Updated risk assessments have been completed for all academies
- Principals have received updated organisational plans outlining a cautious approach to the reducing of all restrictions. We will continue to monitor this and then steadily ease these where appropriate to do so, against local data.
- All children will be encouraged to wash their hands regularly throughout the day and all sanitation stations will remain in the academies and become part of normal procedures to raise hygiene awareness.
- Some academies are have staggered pick up and drop off times.
- Staff members continue to lateral flow test twice a week.

If your child is displaying symptoms please do not send them to school and make arrangements for them to have a PCR test as soon as possible. Please contact the academy with the outcome of the test. For updated guidance on self-isolation and what to do please follow the attached link.
