Dear Parent/Carer

### **Increase in Price of School Dinners – September 2022**

We are writing to inform you that from September 2022 there will be an increase to the price of school meals. After the Summer holidays the price for children in Key Stage 2 (year 3 and above) will increase to £2.50 a day (or £12.50 a week).

As you know we have staggered the full cost of the rise across 2 years, rather than the full 50p imposed by the Local Authority last year.

It is also important to note that for children moving into Year 3 in September, the Universal Infant Free School Meals entitlement will cease and all children wishing to continue to take school meals will have to start paying for meals at this new rate UNLESS they are eligible to benefit based free school meals. If you feel your child is entitled and you haven't claimed yet please complete an online application by clicking:

I also wanted to take the opportunity to politely remind all parents that dinner monies must be paid for in advance via the Parent Pay system, you may have used Parent Pay for trips already – it is the same login to pay for dinners also.

Thank you for your ongoing support and if you have any questions or queries regarding this please do not hesitate to contact school.

Yours sincerely

Mrs F Parish  
Principal
