

Meet the teacher...

Welcome to Class 3/4,

Miss Dennison, Mrs Frost and I are looking forward to working with you and your children over the coming year.

If you need to speak to me, please message via Seesaw and I will get back to you.

Home Learning

Home learning can be accessed using the TT Rockstars, Reading Eggs and Mathletics websites

<https://trockstars.com/>

<https://student.readingeggspress.com/>

<https://login.mathletics.com/>

Your child has been given their logins for each website. If they need a replacement, they can get this from their class teacher.

Weekly spellings and times tables will be uploaded to Seesaw along with some work to supplement the children's current topic learning.

Home Reading

This year, it is expected that all children will read at home 3 times a week to support their learning in school. Reading records should be brought into school daily and weekly reads will be checked on a Friday.

P.E

P.E days are as follows:

Monday – Basketball

Friday – Gymnastics

Topic

Our topic for this term is 'Can Robots do Human jobs?' and our learning focus' will be forces and magnets and the Stone Age and Iron Age.

We will be learning all about the Stone Age and what we can find out about them from the artefacts that they left behind.
