

Year 6 Home learning

Welcome back everyone! We hope you all had an amazing 5 weeks holiday and have come back to school refreshed and eager to learn. This half term is an exciting one with a focus on 'How America has tackled injustice.' We will also begin our revision in preparation for SATs in May'23. Below are 6 different homework tasks for you and your child to complete together to support them in their learning.

Task 1:

Research all you can about Martin Luther King in preparation for our extended writing tasks.

Task 2:

Each week read 5 times per week and bring your reading log into school to evidence this each Friday.

Task 3:

Continue to learn the 3/4 and 5/6 speller on a page words. If you do a little each week you will have learnt them all in no time at all.

Task 4:

TT Rockstars is a great online programme to help increase your speed of each times table. Work on your target times table first.

You've got this!

Task 5:

Log onto Reading Eggs each week. Let's see you jump through those book bands.

Task 6:

We have spoken about being healthy and drinking water. Start to bring in those healthy snacks for break so our brains are fully nourished and ready to learn!
