Executive Principal: Mrs B Nixon

Principal: Mrs F Parish

Dear Parents/carers,

Further to our previous communication regarding sports day, please find below more information regarding this year's sports days.

Class 3, Class 3/4, Class 4/5, Class 5/6 and Class 6 – Monday 20th June

Year 1, 2 and Foundation Stage 2 - Tuesday 21st June

Entry to the field will be via the bottom gate on Sheep Dip Lane that leads directly on to the field. This gate is directly opposite the shops over the road. Entry will be from **1:15pm**. Please do not arrive much before this to ensure that the walkways around school are not congested as the gates will not be opening early due to children's lunch times.

Parent/carers will sit on one side of the field and children on the other – please do not try and come over to your children as they will be sat in their classes. This allows us to ensure safety of all children – as always this is paramount. The sports day will begin at around 1:30pm and will be finished before the school day.

Once the sports day has finished children will go back to their classrooms with staff to get ready for home time. If the sports day finishes before our usual finish time then children will be able to be collected early, however we request you do not try and go to your child's classroom until the cordons that are in place have been removed and we have ensured all children are back inside the school building.

Next week also marks our annual sports week whereby children take part in a variety of different sports and activities throughout the week. Therefore children are encouraged to come in P.E kit all week to ensure they can safely take part in the sports. However, can I please remind you that P.E kit must be plain and in the colors, red, white, blue or black. No Football kits or summer clothes are appropriate as this isn't our uniform - this also applies to sports day as well. Children wearing earrings must also ensure these are taken out for sport activities or covered with tape.

The weather is continue to look promising into next week so please ensure children also come with sun hat and a water bottle and apply sun cream before school as shade is limited on the school field. All children will also be provided with a drink and biscuit from school during the course of the afternoon. Should the weather change and we need to re arrange you will be informed as soon as possible.

Any Questions regarding the above, please do not hesitate to contact myself or class teachers.

Yours sincerely

**Mrs Towndrow
Physical Education and sport Subject Lead**
