

**School Sport & PE Provision**  
**Financial year 2020/2021**

At Sheep Dip Lane Academy we have split up the sports premium funding into three key areas. These are Physical Education, Healthy Active Lifestyles and Competitive sport. We have decided to spend the Sports Premium funding in the following ways:

*Carry Forward from previous Year = £18,316*

**Key Priorities for 2020-21**

- Improve the quality of teaching and learning and assessment through CPD so high proportions of pupils reach ARE across school.
- Improve quality of P.E teaching across school using new scheme of work
- Streamline assessment across all of school to track children's progress more clearly
- Increase the opportunities for participation in PE and competitions in and out of school.

Meeting national curriculum requirements for swimming and water safety.	
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.	
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity <b>over and above</b> the national curriculum requirements. Have you used it in this way?
