
Sheepdip Lane Primary School

Quest Park Autumn Term - (September-December 2020)

Overall, 89% achieved a swimming distance award, ranging from 5m-200m where they had to swim without any flotation aids.

However, not every child managed to hit the National Curriculum set distance of 25m due to the national lockdown and class bubble closures.

The children, from both groups, have been introduced to all 4 strokes; Front Crawl, Backstroke, Breaststroke and Butterfly. They have also taken part in self rescue where the children swam in clothing, in order to pass their Personal Survival Level 1 certificate.

For any children that didn't achieve a 25m distance swim, a voucher will be issued allowing them to access a months worth of free swimming lessons outside of school.

Swimming and Water Safety at Sheep-dip Lane Primary School

The Percentage of Pupils who can swim competently, confidently And proficiently over 25m or more.	71%
The Percentage of Pupils who can perform self-rescue and partner Rescue in different water-based situations.	89%
